Description

Unmatched quality is the hallmark of this home, whose interior while grand and spacious combines to exude both warmth and inviting spaces. This home allows the beauty of the vineyard and surrounding setting to seep inside to become part of the interior. The emphasis of this home was on living so the outdoor spaces melt into the interior and offer spectacular locations to entertain or quietly enjoy the unobstructed view of lake, vineyards and mountains. Private rear yard is complimented by grand patio, outdoor fireplace, outdoor kitchen and swimming pool. 5090 sq ft of patio terraces. Meticulous attention to detail and the finest craftsmanship combine to form this extraordinary once in a life time residence. for more photos and details visit www.janehoffman.com
